HT-E5330

The HT-E5330 1000-watt 5.1 surround home theatre system grants the gift of superior sound and endless access to entertainment without wires on any TV in the house. Enjoy access to online apps like Netflix™, YouTube™, Facebook™, and a growing list of others for instant, endless entertainment. AllShare™ enables you to share music, movies and photos with other DLNA certified devices on your home network. Include the intuitive web browser and you have a truly unique experience and only from Samsung.

SMART without Wires

Smart Blu-ray Player Built-in

Make every *TV in your home SMART with Samsung's SMART Blu-ray player built-in. Wirelessly connect to endless offerings of movies, TV shows, music, sports, and information through Internet-based services all through our user-friendly Smart Hub interface.

*Television must have available HDMI input.

AllShare Play™

Samsung's AllShare™ enables you to share music, movies and photos with other DLNA certified devices across your home network. AllShare Play™ adds 5 GB of web storage that enables sharing content over the Internet outside the home, so sharing music, movies and photos is even easier.

Remote Control App

Enjoy the freedom to control your Samsung home entertainment system from your mobile device. Samsung Remote is an app available for your smartphone that enables you to conveniently control your Samsung home entertainment system when connected to your home network.
